

The Aisenstadt Activity Centre

through the generosity of the
Dr. André and Nussia Aisenstadt Foundation

Enhancing the lives
of everyone touched
by Alzheimer's Disease

Alzheimer Groupe (AGI) is a not-for-profit organization that provides a comprehensive range of services to those directly and indirectly affected by Alzheimer's and increases awareness and understanding of the disease.

Our Goal

AGI's Activity Centre provides stimulation and socialization for people with cognitive impairments. All activities focus on enhancing individual abilities while compensating for difficulties.

Our Clients

- The Centre is open to anyone in the Greater Montreal area diagnosed with Alzheimer's Disease or a related disorder.
- Clients must meet eligibility criteria upon assessment.

Programs Offered

Monday to Friday

Cognitive

- Brain teasers to activate the mind

Physical

- Various movements to maintain a healthy well-being

Sensory

- Tactile activities designed to engage all of the senses

Creative

- Comprehensive art therapy and music programs

Social

- Clients engage in individual and group socialization and communication

Special Features

- Programs are tailored to meet individual needs and interests
- Intergenerational activities
- Museum workshops – art appreciation
- Respite lounge available for caregivers

Our Team

The dynamic team includes recreational therapists, art therapist, music specialists, social workers, students and volunteers.

On the Cover: A group effort

One of the many compositions created by our clients in **Art Therapy**. Each participant contributed to the canvas.
