

## Fruchter Respite-on-Wheels™ Program

through the generosity of Ethel and Morty Fruchter

In-home stimulation  
allowing respite for  
caregivers

Enhancing the lives  
of everyone impacted  
by Alzheimer's Disease  
and related disorders

Alzheimer Groupe Inc. (AGI) is a not-for-profit organization that provides a comprehensive range of services to those directly and indirectly affected by Alzheimer's Disease and related disorders, increasing awareness and understanding of the disease.

### About Respite-on-Wheels™

- Trained professional homecare workers provide meaningful, stimulating activities to diagnosed individuals who live at home
- Offers caregivers respite at a significantly reduced rate

### Special Features

- A weekly 4-hour block of respite with the continuity and comfort of the same professional worker
- A unique Respite-on-Wheels™ kit is used to engage individuals in therapeutic recreational activities for "failure-free" interactions
- Homecare services are offered during the sessions (e.g. bathing, light meal preparation, etc.)

### Benefits

- Offers respite to families who cannot afford private help
- Improves the quality of life for those affected by Alzheimer's Disease and related disorders
- Alleviates stress for natural caregivers
- Helps the diagnosed person stay in his/her own home longer (delaying placement)

### Eligible Participants must:

- Have a diagnosis of Alzheimer's Disease or a related disorder
- Attend no more than one day-program per week
- Reside in the Montreal area
- Be unable to stay home alone
